The abstract should be 10 point justified type with a 5 mm indentation (both of left and right) and within the 200-word limit. It should be an explicit summary of the paper that states the problem, the methods used, and the major results and conclusions. It should also contain relevant key words that would allow it to be found in a cursory computerized search. The first line should be indented 5 mm from the left margin.

Keywords: about five keywords or phrases separated by commas, journal-page image, sample text, Plasma and Fusion Research, L^AT_EX version

1. Introduction

The paper size must be A4 (21.0 cm × 29.7 cm). Authors using L^AT_EX should use the `jpfr` package provided:

```
\usepackage{jpfr}
```

Text should be typeset in Times. The title heading should be in Times Bold. These fonts can be accessed by using either the standard `times`, `mathptmx` or recent `txfonts` package, as in

```
\documentclass
  [a4paper,twocolumn,fleqn]{article}
\usepackage{amsmath} % optional
\usepackage{txfonts} % or times
\usepackage{graphicx} % optional
\usepackage{jpfr}
\begin{document}
...
```

The default Computer Modern fonts may be used as a last resort.

Any fonts other than the standard PostScript fonts (such as Times and Symbol) must be embedded in the document, and don't use national (e.g. Japanese) fonts.

2. Section Title

The manuscript must include a concise abstract (less than 200 words), a complete list of references, figures and tables with captions. Each author's name is given in the order of first name, initial of optional middle name and last name, as in Carl F. GAUSS. References are cited as [1], [2, 3], and [1, 2, 3], and are listed at the end of the manuscript, *not* preceded by a header such as "References." See also Fig. 1 and its caption.

Equations should be indented by 10 mm from the

Vector expressed by a Greek font should be written in Greek Bold; e.g., $\boldsymbol{\rho} = \mathbf{b} \times \mathbf{v}_\perp / \Omega$. For equations separated into multiple lines, the equation number should appear only on the last line.
